These documents are also listed on the accompanying Form PTO-1449. It is respectfully requested that the Examiner initial and return a copy of this form, and indicate in the official file wrapper of this patent application that the documents have been considered.

Applicants reserve the right to establish the patentability of the presently claimed invention over any of the information provided herewith, and/or to prove that this information may not be prior art, and/or to prove that this information may not be enabling for the teachings purportedly offered.

This information Disclosure Statement is being filed either within three (3) months of the filing date OR before mailing of a first Office action on the merits. Accordingly, no certification or fee is required.

Respectfully submitted,

A handwritten signature in black ink, appearing to read "Deanna Baxam", with a stylized, flowing script.
